

About Us

Diversity and Disability Alliance is a user led disability support organisation, run by and for people with disability from diverse backgrounds with the support of families and allies. We assist people to live the lives they choose. We are an independent, collective voice committed to diversity and full inclusion.

DDAlliance is seeking to build a culture where peer support is an acceptable and available form of support for people with disability and their families in addition to, or instead of more formal, traditional (paid) disability support

Strength Through Peer Support

It's all about people with disability coming together and supporting one another

'Strength through Peer Support' is a project for people from refugee backgrounds with disability to get support to live the life they want.

We will create an opportunity for people to connect with others who have similar experiences as people with disability. We can share our experiences and learn from each other!

Together we can make our community a more welcoming and supportive place for us.

What we offer:

- Peer mentoring
- Introduction to Peer Support course
- Peer to peer cafés

Peer Mentoring

Our trained peer mentors will work with individuals, and support them to achieve specific goals they want to achieve. The sessions focus on supporting and guiding the individuals to achieve their goals on their own.

Peer Mentoring will be from **February to May 2019**

"The best project and peers i love them ♡□♡□♡□"

- Jubran Eesee (Peer Mentor and Peer Facilitator)

Introduction to Peer Support

Diversity and Disability Alliance (DDA) will run a three-session course that will introduce peer support including, who is a peer, the importance of peer support and building the peer movement.

Training dates will be on the **14th, 21st and 28th March 2019**

Peer to Peer Cafés

These cafés are a space where peers connect, ask questions, discuss and share information on a particular topic, for example, **Assistive Technology, setting goals as part of your NDIS plan, etc.** These cafés are run by people with a disability and give the opportunity for people to support each other.

Peer to peer cafes will be on the **11th April and 8th May 2019**
