

George

Hi, I am a passionate and possess plenty of lived experiences, and I am available to be your peer mentor through Diversity and Disability Alliance. I will able to work with you on your goals. As a peer mentor we can share experiences, knowledge and ideas. As well as mentoring, I will encourage and motivate you.

Some areas I have had experience in that might benefit you include:

- Anything with NDIS, including self-management (employing and managing staff)
- Finding leisure and recreation options
- Advocacy (I have done this for the past 25 years)
- Independent living skills
- Travel
- Life skills and much more

If you are looking for someone with over 35 years of experience, I am the man to guide you.
